

Comprehensive Family Planning

Family PACT is a publicly-funded family planning program designed to provide “comprehensive family planning services” to low-income men and women in California with no other source of family planning and reproductive health care insurance coverage.

**Access to
Family PACT
fills a gap in
health care for
uninsured and
underinsured
clients of child
bearing age**

Family PACT reimburses providers for these client services:

- Family Planning methods
- Emergency contraception
- STI testing and treatment
- Pregnancy testing and counseling
- Sterilization
- HIV testing
- Hepatitis B immunization
- Limited female and male cancer screening
- Education and counseling

Education and Counseling

Health educators or clinical staff with appropriate skills can provide reimbursable family planning and reproductive health education and counseling.

Provider Enrollment

To provide Family PACT, you must be a current Medi-Cal provider in good standing, attend an Orientation Session and submit completed Application and Enrollment Agreement forms.
